PPXXIII HOUSTON, TX

**XXIII International Plastic Pipes
Conference & Exhibition**

27-29 SEPTEMBER 2027

The flagship PPCA event of PPXXIII Conference and Exhibition will be hosted in Houston, Texas. Through 27-29 September 2027 at the Woodlands Waterway Marriott Hotel & Convention Center, this event will feature 90 speakers and an audience of about 400 delegates from over 45 countries.

The Plastic Pipes Conference Association (PPCA) was formed to organize and run the series of Plastic Pipes Conferences on behalf of the international plastics pipes industry. This event is organized by Plastics Pipe Institute (PPI), The European Plastic Pipe and Fittings Association (TEPPFA) and PE100+ Association.

FOCUS TOPICS

Sustainable Practices

Advancing sustainable and circular plastic pipe systems through innovation and decarbonization.

Industry Insights

Advancing plastic piping through innovation, talent, global best practices, and modern standards.
